

CURRICULUM VITAE DR. EMANUELE ZUCCA, M.D.

EDUCATIONAL BACKGROUND AND SPECIALITY BOARD

- 1983: M.D. State University of Milan, Italy
- 1986: Specialty Degree in Oncology, Postgraduate School of Oncology, State University of Milan, Italy
- 1989: Postgraduate course on lymphomas, European School of Oncology (ESO)
- 1990: European Certification on Medical Oncology (ESMO Board Examination)
- 1992: Stage on molecular pathology of lymphomas at the Institute of Pathology, Free University of Berlin, Germany (Prof. H. Stein).

POSITION HELD

Since January 2009:

Deputy Head of the Research Division, Head of the Lymphoma Unit and Medical Oncology Consultant, Oncology Institute of Southern Switzerland (IOSI), Ospedale Bellinzona e Valli, Bellinzona and Ospedale Regionale di Lugano – Sede Ospedale Italiano, Lugano, Switzerland

January 2003-December 2008:

Consultant and Head of the Lymphoma Unit, IOSI, and Medical Oncology Consultant Ospedale San Giovanni, Bellinzona and Ospedale Regionale di Locarno, Switzerland.

January 1995-December 2002:

Senior resident (responsible of the lymphoma clinical trials and biology research programs), IOSI, Division of Medical Oncology, Ospedale San Giovanni, Bellinzona, and responsible for the Medical Oncology Outpatient Clinics Ospedale Regionale di Locarno, Switzerland (Prof. F. Cavalli)

March 1989-December 1994:

Resident and clinical research fellow (lymphoma clinical trials and molecular biology research programs), Division of Medical Oncology, Ospedale San Giovanni, Bellinzona, Switzerland (Prof. F. Cavalli)

February 1988 - February 1989:

Research fellow, Division of Medical Oncology, St. Bartholomew's Hospital, London, England, Laboratory of Molecular Biology (Dr. B. D. Young)

June 1987 - February 1988:

Resident, Division of Medical Oncology, Ospedale San Giovanni, Bellinzona, Switzerland (Prof. F. Cavalli)

June 1986 - May 1987:

Research fellow, University of Kentucky, VA Medical Center, Lexington, KY, USA (Prof. P. A. DeSimone)

November 1985 - May 1986:

Resident, Division of Medical Oncology, Ospedale San Giovanni, Bellinzona, Switzerland (Prof. F. Cavalli)

1983 - 85: Intern, Department of Internal Medicine, State University of Milan, Italy (Prof. A. Libretti)

1982 - 83: Research assistant and later research fellow, Laboratory of Toxicology, Istituto di Ricerche Farmacologiche Mario Negri, Milan, Italy (Dr. I. Bartosek)

1980 - 82: Attending student, Department of Internal Medicine, State University of Milan, Italy (Prof. A. Libretti)

REGULAR TEACHING

Since 1995: Teacher of Oncology at the Cantonal Medical Technical School for Technicians in Radiology and Radiotherapy (Corso TRM, Scuola Cantonale Medico-Tecnica, Locarno)

Since 2000: Teacher at the Specialty School of Oncology of the University of the Insubria, Varese, Italy.

Since 2003: Member of the Faculty of Medicine, University of Bern, Switzerland, with the university teaching degree of "Privatdozent" of Oncology and Hematology

EDITORIAL BOARDS

1997-1999: Coordinator of the Editorial Committee of *Annals of Oncology*

Since 2003: Member of the Editorial Board of *Clinical Lymphoma, Myeloma & Leukemia*

Since 2010: Member of the Editorial Board of *Hematological Oncology*

Since 2010: Member of the Editorial Board of the *British Journal of Haematology*

Since 2010: Associate Editor of the *European Journal of Internal Medicine*

MEMBERSHIPS

- American Society of Hematology (ASH)
- European Society for Clinical Oncology (ESMO)
- Swiss Cancer League Scientific Commission
- Swiss Society for Clinical Cancer Research (SAKK - Lymphoma Group)
- Co-founder of the International Extranodal Lymphoma Study Group (IELSG)
- 1996-1999: Member of the Clinical Advisory Board for the *WHO Classification of Tumours of Haematopoietic and Lymphoid tissue* published in 2001
- 2001-2003: Member of the TNM Expert Advisory Panel on Lymphoma of the International Union Against Cancer (UICC).

HONOURS AND AWARDS

1983: Graduate Summa cum Laude

1984: Recipient of the "Corrado Montemaggiori" Award for a research project in oncology

1984: Recipient of a grant as investigator in clinical pharmacology trials at the L. Sacco Hospital, Department of Internal Medicine, University of Milan, Italy

1985: Recipient of a study grant from the Italian Association for Cancer Research for a training stage at the University of Kentucky, Lexington, KY, USA, in 1986-87

1986: Degree in Oncology Summa cum Laude

1988: Recipient of a scholarship from the Foundation for Cancer Research of Canton Ticino, Switzerland for the training stage at the St. Bartholomew's Hospital, London, England

1989: Recipient of the ESMO / Sterling Oncology Fellowship 1989 for an experimental project related to the use of molecular biology methods in the diagnosis and follow-up of follicular lymphomas

1990: ESMO European Certificate of Oncology

1992: SIAK/FARMITALIA grant for a short training stage on molecular pathology of lymphomas at the Institute of Pathology, Free University of Berlin, Germany (Prof. H. Stein).

1994: SIAK/ ESSEX 1994 Prize in Applied Cancer Research, awarded for the work on the detection of the t(11;14) chromosomal translocation in interphase cells of mantle cell lymphoma by fluorescent in situ hybridization.

2003 Title of "Privatdozent" (associate professor) of Oncology/Hematology awarded by the University of Bern, Switzerland, Faculty of Medicine.

PRINCIPAL INVESTIGATOR EXPERIENCE AND GCP TRAINING

He is co-investigator and Principal investigator of several international clinical studies at the Oncology Institute of Southern Switzerland. He has regularly been trained on GCP according to the current Swissmedic requirements. Last trainings on GCP:

- SAKK course, Bern, 03.04.2008 + 24.03.2008
- SENDO course on sponsor duties and data management, Milan, 29.10.2009 + 28.01.2010
- EOC-CTU on GCP for investigators and sponsors, Lugano, 23.01.2014
