Clinical observership

2017 – 2021
Belgrade, Serbia

Institute for Oncology and Radiology
Radiation oncology residency

2008 – 2015
Kragujevac, Serbia

Faculty of Medical Sciences
Medical studies
Note: average grade 9.17/10.00

Professional experience

2023 – present
Kragujevac, Serbia

Head of Department of the subspecialist cabinets
Center for Radiation Oncology, University Clinical Center

01/2025 – present
Milan, Italy

Co-chair of Career Development Working Group
European School of Oncology

01/2025 – present
Brussels, Belgium

Vice-chair of Inequalities Focus Topic Network
European Cancer Organisation

09/2025 – present
Milan, Italy

Honorary Faculty Member
European School of Oncology

06/2025 – present
Kragujevac, Serbia

President and founder
RISING-RO

01/2025 – present
Milan, Italy

Council member
College of European School of Oncology

2023 – present
Kazakhstan

Lecturer
International Postgraduate School of Medicine, branch Kazakhstan – IPMS

Professional experience

2024 – 2025
Kragujevac, Serbia

Facilitator
Department of Clinical Oncology, Faculty of Medical Sciences

2021 – present
Kragujevac, Serbia

Radiation oncologist
Center for Radiation Oncology, University Clinical Center

2017 – 2021
Belgrade, Serbia

Radiation oncology resident
Institute for Oncology and Radiology

2016 – 2017
Kragujevac, Serbia

Medical practitioner
Center for Radiation Oncology, University Clinical Center

Presentations and invited lectures

07/2025
St. Petersburgh, Russia

Faculty
Invited lecture, “White nights” Oncology forum
Radiotherapy of Hodgkin Lymphoma

06/2025
Warsaw, Poland

Faculty
Masterclass in Clinical Oncology

03/2025
Belgrade, Serbia

Faculty
Refresher Course in Lung Cancer, ESO
Standard Radiotherapy in Early NSCLC

08/2025
Budapest, Hungary

Faculty
ESO College Convention
How to be Head of Department

03/2025
Kragujevac, Serbia

Speaker
Radiotherapy Section, Serbian Medical Society
Prostate cancer - protocol update

07/2024
St. Petersburgh, Russia

Faculty
Invited lecture, “White nights” Oncology forum
Radiotherapy of Non-Hodgkin lymphoma

12/2024

Speaker
The cost effectiveness of treatments based on biomarkers in prostate cancer
E-session debate alongside with Prof. Bertrand Tombal and Prof. Aristotelis Bamias, moderate by Dr. Berardino De Bari

11/2023

Poster Presentation
European Multidisciplinary Urology Conference - EMUC23, Marseille, France; November 2023

09/2023

Poster Presentation
“Challenges in radiotherapy planning in patients with synchronous rectal and prostate cancer and hip prosthesis”, 2nd International Conference on Chemo and Bioinformatics, Kragujevac, Serbia; September 2023

Professional training

11/2016

iViewGT Training Course
Center for Radiation Oncology, University Clinical Center Kragujevac

Professional training

11/2016

Training Course the MOSAIQ module
Center for Radiation Oncology, University Clinical Center Kragujevac

05/2018

The following training for the indicated amount of 14 hours Eclipse Operations (conducted by Varian Medical Systems International AG)
Center for Radiation Oncology, University Clinical Center Kragujevac

05/2018

The following training for the indicated amount of 16 hourhours Oncology Information System (conducted by Varian Medical Systems International AG)
Center for Radiation Oncology, University Clinical Center Kragujevac

Other experiences in oncology

05/2025

Vienna, Austria

Co-Chair of Genitourinary Session 2
ESTRO25

2024

Milan, Italy

Graduate
College of European School of oncology

06/2025

Copenhagen, Denmark

Participant
ESTRO Agora - Future Leaders Retreat
